A Brief History

Experience from the Past

Founded in 1939 by Sam Hausman, our company grew through a philosophy of honesty, hard work, and dedication to customer service. The current management team has a balanced combination of third and fourth generation family members and experienced professional executives to continue the tradition.

Our independent ownership and unique mid-size allows us the flexibility to service our customers with custom food design and production, while allowing us the production capacity to fulfill the volume requirements of larger national chains.

We currently produce a full line of quality beef products for the food service industry including:

- Ready to Cook Breaded Beef Products
- Marinated Beef Products
- Portion Controlled Steaks including USDA Choice and Certified Angus Quality.
- Beef Stew and Cutlets
- Ground Beef Products

Sam Hausman Meat Packer, Inc. is a member of the following organizations:

North American Meat Processors
International Foodservice Manufacturers Association
Southwest Meat Association
National Restaurant Association
United States Meat Export Association
